| 10. | Laser Guidelines have been followed (see page 27 of Intel ISEF rules) All lasers must be checked by a D & S chairperson | | |
| 11. | Models or Prototypes fit in allotted space. There is nothing under or in front of table. Models for floor projects must fit within project size limit. | | |
| 12. | Project adheres to all other Rules (see pages 25-27 of Intel ISEF rules) | | |
| 13. | Packing materials and personal items have been removed from underneath the finalist table. | | |

C. Display and Safety Rules Infraction

Infraction issued by (Print Name) _____

If a problem was found during inspection and not allowed, describe briefly:

D. Initial Display and Safety Approval

D & S Inspector Signature _____

I/We understand that the initial Display and Safety Inspection has been completed, but that additional reviews occur, and I/we may be called back. I/we further understand that returning items that have been removed by the D&S and/or adding items that are not permitted after final clearance are grounds for failing to qualify for competition and/or forfeiture of all awards received. In addition, electricity may not be used if not paid for.

Finalist/Team Leader Signature _____ **Date** _____
