

FIELD TRIP OPPORTUNITIES

1. **Visit Central Florida – has provided the following vetted link by Polk County to share discounts and opportunities for local field trip locations.**
<https://kgstix.com/ssef/>
2. **Florida Polytechnic University is a new sponsor for the State Science and Engineering Fair of Florida. They are offering a special campus tour on Thursday, April 4th. You may choose to take your whole group or a small group if parent/student/teacher wanted to take advantage of this opportunity. Lunch provided.**

You MUST REGISTER ahead of time.

Description:

FL Polytechnic University Campus Tour
Thursday, April 4, 2024
9AM-12PM

[SSEF Finalists-Register Here for a FL Poly Tour!](#)

Congratulations and good luck to the 2024 SSEF Finalists! Florida Polytechnic University, Florida's only 100% STEM Public State University, is offering a special campus tour specifically for SSEF participants and guests. We invite you to come explore our beautiful, state-of-the-art campus here in Lakeland, FL. During your visit, you will hear from admissions staff to learn about the college application process, what makes FL Poly unique, and what it takes to become a FL Poly Phoenix. You will then be guided on a campus tour by our student ambassadors, followed by lunch *on us!*
