12	Models or prototypes fit on allotted space. There is nothing under or in front of the table. Models for floor projects must fit within the project size limit.		
13	Project adheres to all other rules (see p 28 ISEF rules)		
14	Packing materials and personal items have removed from underneath the table.		

### C. Display and Safety Infraction:

Issued By \_\_\_\_\_ (D&S Committee Member)

I/We understand that the initial Display and Safety inspection has been completed, but that additional reviews occur and I/we may be called back. I/We further understand that returning items that have been removed by the D&S or adding items that are not permitted after final clearance are grounds for failing to qualify for competition and/or forfeiture of all awards received. I know I may not hook up to electricity at this fair. If I do so, or add any items that are in violation of any clause on this card or in the rules I will be disqualified.

\_\_\_\_\_ (Student Signature)

### D. Display and Safety Approval:

Approved By \_\_\_\_\_ (D&S Committee Member)
